Elementary School

Rediscover Individuality at Plummer Elementary

Plummer Elementary School values the uniqueness of every student and believes in responding to the needs of each child. Plummer, supported by the community, provides enriching opportunities for **cognitive, social, emotional, and physical growth** to establish an optimal learning experience for each student.

Be Part of the Team at Plummer

Plummer's parents are an integral part of our students' development. This is a school that is proud of its **robust and active PTA and parent coordinator resources**.

At Plummer, parents are invited to take advantage of the **Plummer Parent Academy**, which offers education workshops to parents on a variety of topics. The workshops feature experts in education and related fields and are designed to give parents a prominent role in their child's education.

“Plummer staff is always there to help the students. I will never forget my fifth grade teacher, Ms. Jones, who has made my learning a great experience at Plummer.”

– Tariq Lassister, Plummer Student

Advanced Academics for Plummer Students

Plummer has made great strides and is always working diligently to ensure **the best for our students**.

- **93%** of Plummer teachers are state-certified.
- **79%** of Plummer teachers hold Masters Degrees.
- Plummer is currently applying to become a **Science, Technology, Engineering, and Math (STEM) School** to increase our advanced math and science offerings to District students.
- Plummer boasts after-school tutoring, a **reading intervention program (BURST)** for kindergarten and first grade students, an early childhood program, and **accelerated math classes** for our students.

Afterschool Care

- Plummer's extracurricular activities are dedicated to promoting **lessons in literacy, health, and other areas**. They include Reading is Fundamental, Book Mobile, Puberty Club, Girl Scouts, Embassy Adoption, Art Club, and Peer Mediation.
- Plummer offers an after school athletic program, including **basketball, track and field, cheerleading, and flag football**.

Networking With the Neighborhood

Since it first opened its doors, Plummer Elementary has **created strong ties to our community**. It takes pride in the partnerships that ultimately lead to excellent educational experiences for students.

These **partnerships** include: Wesley Housing, National Organization of Black Law Enforcement Executives, Johnson Memorial Baptist, District of Columbia Department of Parks and Recreation, The Hotel Association Nalle/Plummer/Davis Alumni Association, McLean Baptist Church, Communities in Schools, Young Playwrights Theater, and the Ward Seven Education Council.

“DCPS has received significant resources over the last two years, enabling us to improve the quality of each and every school. You will find modernized facilities, committed teachers, and comprehensive course offerings, including music, art and technology. With many excellent schools to choose from, we encourage all families to seriously consider DCPS as a good option for their children.”

– Chancellor Michelle Rhee
